1-Light Matte Black Semi-Flushmount

Project Name:	Order Number:	Prepare by:	Note:	Date:	Type:

The Home Decorators Collection Semi-flush mount fixture, finished in black with clear glass, combines vintage elegance with modern style. Measuring 8.5 inches, this LED fixture accommodates E26 medium base bulbs up to 60 watts (bulb not included), allowing for flexible lighting options. The fixture's open-bottom design simplifies bulb changes and cleaning. Installation is straightforward with the included hardware and instructions, making it quick and easy to set up. Its versatile design suits a variety of spaces, including hallways, kitchens, bedrooms, and commercial areas like bars, cafes, hotels, and restaurants, adding a stylish touch to any environment.

HIGHLIGHT

Vintage Style

Black finish with clear glass for a retro, modern look.

Versatile Use

Ideal for residential and commercial spaces like hallways, kitchens, and bars.
